

Years from now, she probably will not remember the pads you bought—but she will remember how you made her feel when she got her first period.

Welcome to Menarche.

Her first period starts long before it happens.

Thank you for trusting HerRhythm Care to walk beside your family during one of life's most important milestones.

This experience has been thoughtfully designed by healthcare professionals, menstrual health educators and parents to help you prepare with confidence.

Inside Your Menarche Experience

- ✓ **Walking Beside Her**
A practical guide for parents and caregivers. Learn how to prepare for your daughter's first period with confidence.
- ✓ **Know Your Rhythm**
A girl's guide to understanding her changing body. Simple, reassuring and age-appropriate.
- ✓ **The Companion Guide**
A guide for fathers, brothers, uncles and male caregivers. Helping the whole family support her journey.
- ✓ **First Period Essentials**
Everything needed to feel prepared when her first period arrives.
- ✓ **Cycle Tracker**
Helping her recognise her body's natural rhythm.
- ✓ **First Period Plan**
A simple family preparedness plan.

Our Promise

We're not just preparing for a first period. We're helping build confidence, trust and lifelong menstrual health.

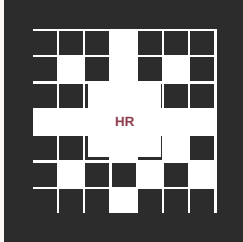

Know Your Rhythm. Flow with it. Live Empowered.
