Your Cycle Prep Card

Hey _____, ☾

Another cycle, done. You showed up for yourself this month, that's worth noticing.

This season:

[seasonal line, swapped quarterly for the whole batch]

Your Rising Moon kit is timed to land before your next cycle, one less thing to think about.

A quiet reminder: your kit this month funded a Dignikit for a girl who needed one. She got hers because you got yours.

With warmth,
